**A WORD FROM
JAMES KEEFE, M.D.**

Welcome to the 6 th annual Pete Schwinn , M.D. Memorial LASOP Education Fund Golf Tournament. Money donated to this tax deductible fund will be used to support the training of a pathologist currently working in an underdeveloped nation. We are currently considering three candidates to spend a sabbatical year with our pathology community. These candidates reside in Afghanistan, Peru and Bhutan. Our Fund has supported two pathologists to date. The first was Krishna Sharma from the country of Bhutan and the second Pathologist was Sonali Rodrigo from the country of Sri Lanka. Victor Lee, M.D., affiliated with the Pathologists Overseas, will assist us in selecting the next Pathologist to receive this vital support. Pathologists, technologists and representatives from corporations throughout Los Angeles County will be competing for the Beckman Trophy. This traveling award will be presented to the golfer with the lowest net score. Once again, I predict we will all have a great time and contribute to a worthy cause. Even if you are not a golfer, please consider making a tax deductible contribution to the LASOP Education Fund. Send your check to made out to LASOP Education Fund to Georgia Froeberg's office. Her address is listed on this brochure.

Thank you in advance for your support.
